SEPTEMBER 2023-24 STUDENT CLASS PLACEMENT

May 12, 2023

Dear Rose Ave JPS Parents/Guardians:

The process of student placement followed at Rose Ave JPS is a collaborative one that has input from a variety of sources:

- sending teachers
- principal
- support personnel (where appropriate)
- parents/guardians

Before the end of the school year, several meetings will be devoted to student class placement. During these meetings, the best possible educational experience for your child will be given the utmost consideration as we aim to build balanced classes. Parent/Guardian information shared throughout the year at parent/teacher conferences will be used as teachers discuss the student placement process and consider the following:

- balance of numbers in a class
- Ministry of Education primary class size caps
- Balance of gender in each class
- balance of students' levels of English Language Proficiency
- balance of academic performance according to Ministry expectations
- consideration of sibling placement
- consideration of possible peer influences
- social, emotional, and physical needs of the student

While we try to accommodate parent suggestions, please understand that a great deal of time and consideration will be devoted to the student placement decision. If there is information you feel should be considered regarding your child's placement, please submit it **in writing** to Mr. Woolford by **Tuesday, May 23, 2023**. Your information/requests should only indicate your child's needs and program preferences, as opposed to teacher names. Please note: *Class placement could be subject to change due to possible 2023/2024 school year realignment in the fall.*

If you have any questions regarding this process, please feel free to contact us at the school.

Regards,
Scott Woolford
